EXT. HOUSE - DAY

Christmas. Snow falls in front of a quiet, ordinary suburban home.

INT. HOUSE - DAY

An entire family is gathered around the Christmas tree opening presents: MOM, DAD, GRANDMA, GRANDPA, twenty-year-old DAUGHTER, and two pre-teen CHILDREN.

Mom is opening up a present. She dips into the box and...

MOM

It's a sweater!

EVERYONE ELSE

Awwwwwwww.

Mom proudly puts it up against her chest to show everyone what it would look like.

DAUGHTER

Me next, mom! Me next! You're gonna love it.

The daughter hands her mom a nicely wrapped box.

MOM

Now what could it be?

Mom joyfully unwraps the gift, which turns out to be a VIBRATOR!

DAUGHTER

Ta Da! It's the Super Clit Pleaser 2000!
The ultimate in vaginal satisfaction.

The mom's face is frozen in shock, but the daughter doesn't notice and continues excitedly.

DAUGHTER (CONT'D)

This is the newest model, complete with a penetrating design lets you go deep, so deep you'll be hitting your G-spot's G-spot!

Grandpa and Grandma's eyes widen at that remark, but still the daughter continues.

DAUGHTER (CONT'D)

And it even has three speeds to vary the fun: "Fast," "Faster," and "Please God Don't Stop!"

The father and small children are stunned.

DAUGHTER (CONT'D)

It's perfect for those days when dad isn't exactly swinging par, if you know what I mean. So, what do you think?

MOM

I... I... I don't know what to say.

DAUGHTER

Do you like it?

MOM

I'm so embarrassed...

The daughter, not sure how to read her mother's expression, is suddenly worried.

MOM (CONT'D)

(Finishing her sentence)

Cause I got you the exact same thing!

The mom pulls out another gift-wrapped vibrator, this one for the daughter.

The whole family LAUGHS at the coincidence.

The mother and daughter hug.

MOM (CONT'D)

Merry Christmas, baby.

DAUGHTER

I love you, mom!

EXT. HOUSE - DAY

Same exterior shot as before, with the snow falling in front of their quaint suburban home, only this time the logo of the Afterglow Vibrator Company is superimposed on top of it.

VIBRATOR SPOKESMAN

Happy Holidays from the Afterglow
Vibrator Company.

(A Beat)

Bringing families together, one orgasm at
a time.
